

DUAL ENROLLMENT COACHING SM

As you design, implement, and evaluate your dual enrollment program and partnership, take advantage of the services of a certified Dual Enrollment Coach SM through CCEMC

Coaching services offered to K-12 and community colleges include designing, launching, implementing, and evaluating dual enrollment programs. Your Dual Enrollment Coach SM will assist you in ensuring your program meets the CDE Dual Enrollment Opportunities Grant expectations and aligns with evidence-based best practices. Work with your Dual Enrollment Coach SM to implement a high quality program eligible for the CDE's Dual Enrollment Exemplary Award!

Organizations will be paired with a certified Dual Enrollment Coach SM based on the coach's expertise with the selected dual enrollment model. We have a team of coaches available with expertise in all types of dual enrollment programs!

Dual Enrollment Coaching SM contracts are available for 20 hours at \$10,000 or 45 hours at \$20,000. Coaching hours may be used over the 2023-2024 and 2024-2025 academic years. This is an appropriate use of the Dual Enrollment Opportunities Grant funding, including both the Middle College and Early College Grant and College and Career Access Pathways Grant.
